2025 Spring Services

Above Ground Pools

♦ Open Pool No Cover * **(home owner removes cover)**	**$400.00**
♦ Open Pool w/ Solid Cover * **(cover MUST be free of water & debris)**	**$500.00**
♦ Open Pool w/Mesh Cover* **(cover MUST be free of water & debris)**	**$500.00**

**** Water level MUST be to middle of skimmer or higher when we arrive to avoid return trip fee****

All Services Listed Above Include the Following:

- Remove cover (if applicable) and put cover in designated area on your property
- Reassemble pump & filter & start system if water level allows
- Check operation of system
- Test and chemically balance pool water **(Price of chemicals not included)**

Additional Services

- **$250.00** Pump off Solid Cover. If water is on the cover and we need to use our trash pump to remove it you will be billed.
- **$105.00 per hour** Vacuum pool the same day as opening. Be advised, this could require more than 1 hour and may require return visits.
- **$135.00 per hour** Any return trip needed to backwash, vacuum, brush, check water, replace parts or program equipment, after the pool opening.
